WELCOME TO THE NEW SCHOOL YEAR

I hope you and your families have enjoyed a wonderful summer together! It is always so relaxing when you let go of the planned activities. The children look forward to staying up late each night and sleeping later in the mornings! Soon we begin to feel like each day is a weekend. I know everyone will be ready to get back into a routine and enjoy what the new school year brings! I look forward to hearing about your summer vacations.

This summer, I had an opportunity to travel to Colorado. It was a time for us to wrap up the last details for wedding planning with my daughter. The table numbers, signs for the flower girls to carry, and compiling an emergency kit were all completed. The big event will take place the last weekend in August. It will be exciting to see how a year of preparation comes alive in the mountains at Keystone Resort.

Even though I didn't get to hike the Rocky Mountains this visit, I was able to enjoy seeing them each day. They are a constant reminder of God's beautiful creation. Wherever you traveled to or if you just stayed in Florida, I hope you were able to see God's handiwork all around. "The whole earth is full of my radiant beauty – My Glory!"
Isaiah 6:3
