Special Needs Guidelines

For the safety, security and well-being the following policies and guidelines for children with special needs attending Sunday Programming are:

Admittance to the Special Needs class – In order to provide the best care for special needs students, we request that the Special Needs Application be completed before your child is admitted to this class. Once reviewed by the Lead Servant Ministers they will contact you by email or phone to explain the class and answer any questions.

The child must be 16 years and younger. (If your child is older please contact Janet Chambers at jchambers@st.lukes.org or at 407.876.4991, ext. *308 so we can discuss other options)

Behavior is such that it is agreed it can be controlled in the environment we have to offer.

If diapering is required, parents will be notified and must agree to handle this for their child.

In order for us to become familiar with your child we request that a parent or guardian remain with them on the first day of class.

Parents will agree to serve once every three months on a rotating basis to assist with our special needs children. Anyone working in the Children/Student Ministry must agree to complete a Criminal Background Check that will be kept confidential.
