

Let's throw some

SHADE

...on our kids!

My name is Bill Barnes, former Lead Pastor of St. Luke's, but more importantly, grandfather to Mason, who is in Pre-K here at the CDC. I love that we have a new playground for him and all the other kids, but we desperately need them and their teachers to be shaded from the blazing Florida sun.

A hurricane compliant playground shade structure and a covered pavilion will cost about \$30,000, and I have made a commitment to see that we raise the funds and protect the ones we love. Will you join me in making a gift today?

*** For more information visit: st.lukes.org/cdc or make your check to St. Luke's CDC and mark it for "Shade." Please see the attached gift designation form if you want to honor your child or grandchild. Just fill out the certificate and present it to them. ***

(Please cut here and return with gift)
