

Parent's Day Out - Toddler I Class
Miss Barbara and Miss Michelle
October, 2019

"The Lord is good to all." Psalm 145:9

We have reached that magical milestone when your children know and find comfort in our school and daily routine. It is amazing to watch them anticipate our next activity. They pull at the highchair for snack and lunch, and look toward the door when they are told it's time for our walk. When they know pick up time is near, they intently watch the door for Mom or Dad after nap. Many still experience a short separation anxiety at the beginning of the day, but they do find a sense of security in our routine. When they feel secure, they are free to enjoy the activities and interactions we provide. We are working on basic sign language, "please, eat, more, all done".

The pumpkin patch to help support St. Luke's middle and high school Youth Ministry opens on October 14th. Your purchase will enable our youth to continue their spiritual development through Grow, Serve and Connect.
