Welcome

Grace and Peace Friends,

Welcome to St. Luke's United Methodist Church! I am delighted you decided to join us today, and I hope to connect with you very soon. I'd love to get to know you and hear about your experience as well as share with you a bit more about who we are as a faith community. We hope this booklet is a helpful tool as you are getting to know St. Luke's faces and spaces.

At St. Luke's, people come together around common interests, life stages, and neighborhoods. We'll be happy to introduce you to fun, caring friends so St. Luke's starts to feel like home. If you're searching for a church where questions are encouraged and opportunities to grow closer to God are plentiful, you've come to the right place. You'll find engaging classes and meaningful serving experiences for all ages.

If we can pray for you or your loved ones, please let us know. We want to be available to support and care for you and your family. I'd be glad to meet you for a cup of coffee, lunch, or afternoon snack in my office or in the area.

I look forward to connecting with you and getting you connected at St. Luke's!

Grace and Peace,

Serve

ORLANDO & GLOBAL MISSIONS

Orlando Missions collaborates with local community organizations, Orange County Public Schools and state correctional institutions to support individuals and families in low income communities. Ways to get involved include serving with Artworks, Coalition for the Homeless, Family Promise of Orlando, Habitat for Humanity, Educational Impact, Meals on Wheels, Shalom Prison Reading and Pen Pal programs, and Jobs Partnership. There are many ways to serve individually, with your family, or with a small group.

Global Missions encompasses our mission partners, mission teams, and missionaries. St. Luke's has developed partnerships in Rwanda, Northern Ireland, Costa Rica, Cuba and Florida City. These partnerships are holistic relationships with a foundation of long-term, mutual commitment. St. Luke's also sends teams and individual volunteers to disaster sites and to other appropriate locations as the need arises. Our goal is to help you find ways to get started in service and then move to a habit of service.

THE EAST WINTER GARDEN INITIATIVE

The goal is to end poverty one family, one neighborhood at a time through supporting education in and out of the classroom, increasing household economic stability, addressing safe and secure housing, and improving neighborhood stability in a small geographic area (1 square mile). We are combining the best practices of asset-based community development, the Circles Campaign, a national model that assists families in crossing over the poverty line, and community partnerships with schools, community centers and other organizations. The East Winter Garden Neighborhood Alliance was formed to help guide and oversee the activities with more than fifty percent of the participants being residents. Volunteers of all ages are needed in all of these areas and training is provided when necessary.

For more information contact serve@st.lukes.org or 407.876.4991 ext. 285 or visit st.lukes.org/serve.
