

**SUPPORTING
HEARTS**
Serving the Arts in Central Florida

It has been an honor to offer support to the arts/entertainment community at our Tuesday food distributions.

As the weekly distribution ends **July 27**, we wanted to share ways for you to access other community resources as we all recover from the pandemic and seek ways to bring our lives to a new normal.

Scan the QR code to view a list of resource links including support for career/job search, continuing education, rental and utility assistance, and more:
