Questions for Reflection & Discussion:

Read 1 Corinthians 9:19-23

- What spiritual gifts do you see active in Paul?
- Think about Paul and what he did prior to his conversion. How did the Holy Spirit use that same zeal and passion for good? What characteristics about your own personality can the Holy Spirit use for good?
- Paul says, "I have become all things to all people, so I could save some by all possible means." What does this say about inclusivity?
- In what "circles" are you comfortable? Are there people in your circle with whom you can share the gospel?
- What other "languages" do you speak? How could you use these other "languages" to share God's love with others outside of your normal circle?
