Sermon: Sunday, May 23, 2021

Scripture: Acts 2 & Corinthians 12

Questions for Reflection & Discussion:

- As you read Acts 2, what actions do you see the members of the first church community taking? How were they caring for each other and taking care of everyone's needs?
- Now read 1 Corinthians 12. Notice how there doesn't seem to be a hierarchy of spiritual gifts. Not one is mentioned in a higher regard than another and they all need each other to function properly. Have you ever tried walking with an injured toe? What does this imply about the members of the church and their giftedness? Is there a gift you think is more important than another?
- List some tasks that may be thought of as menial or insignificant. As a group, think of what the results would be if no one performed those tasks.
- As we close out this series, think about your own spiritual gifts. In what ways have you begun using them? How else might the God be calling you to use these gifts?
- In the past few weeks, have you noticed the spiritual gifts of those around you? How might you highlight these gifts and encourage others to use them?
