Scripture: 2 Corinthians 6:1-13

Questions for Reflection & Discussion:

- Read 2 Corinthians 6:1-13
- Think about the last 15 months. How have you seen the church work together with God?
- How have you found community with your loved ones? In what ways have you stayed connected with your church?
- How have you *been* community to others? Who have you invited into your existing community?
- What has been the most difficult thing you've have to endure during this time? What lessons have you learned from this particular situation and from the entire season?
