**Welcome back!**

**We hope you had a wonderful holiday.**

In January, after our Christmas break each of your children will seem a little different to us---looking and acting more grown up, displaying new skills and new words. It is amazing how much they change in such a short period of time at this age.

We will be exploring the look and feel of snow and the concept of cold in January.

This month, we will be reading, "The Jacket I Wear in the Snow" by Shirley Neitzel.
