

Dear St. Lukers,

It is with mixed emotions that I write to inform you of some significant news regarding our church leadership.

After much thoughtful consideration, Janet Chambers, our beloved Child Development Center (CDC) Director, has made the difficult decision to resign from her position at the end of this school year.

Janet has been an integral part of our church family, contributing to the growth and success of our community in numerous ways. Her unwavering commitment to leading as our Director of Children's Ministry and then Director of the CDC has left a lasting impact on all of us. We are deeply appreciative of her hard work, dedication, and the positive influence she has had on our congregation.

As we move forward, we are committed to ensuring a smooth transition for our CDC staff and families. We will be working diligently to find a qualified candidate to fill Janet's role and will keep you informed of any updates throughout the process.

In the meantime, Janet will continue to serve in her role with her characteristic dedication and professionalism until her last day. We are confident that she will work diligently to ensure a seamless transition and support our church community during this time.

We understand that you may have questions or concerns about this news, and we encourage you to reach out to me if you would like to discuss further. Your understanding, support, and cooperation are greatly appreciated as we navigate this transition together.

On behalf of the entire St. Luke's community, I want to extend our heartfelt gratitude to Janet for her outstanding service and wish her all the best in her future endeavors. We are grateful for the time we have had with her and know that she will be greatly missed.

Thank you for your continued support and prayers during this time of transition.

Warm regards,

Scooter Leonard
Executive Director of Administration
