

EXPERIENCE

Zoe Empowers in person

SEE HOW THE ZOE EMPOWERS MODEL IS CHANGING LIVES

What to expect

Travel with fellow St. Lukers and other churches in the Florida Conference to meet these amazing youth! See successful community-based and youth-led empowerment in action. Witness firsthand how group members become an extended family within their communities, and how group projects and businesses help them thrive in the midst of adversity.

You will return home with renewed hope as you are inspired by the stories of the young people who are moving from extreme poverty to the thriving lives that God intended.
